LETTER OF SUPPORT FOR

ATTENTION:

Mayor Victor Smith &

District of Hope Council Members

Please accept this letter as a show of support for Mountainview Brewing Co. in their pursuit of a permanent licensed patio at their facility at 390 Old Hope Princeton Way. They have been operating a temporary patio at this location as per COVID regulations over the past two years with no disruption to local traffic or business. I feel that it is appropriate for them to continue operating this patio as it has become an important part of their business that helps to attract tourism to our town.

To whom it may concern,

We would be happy to offer our friends and neighbours at Mountainview Brewing Co. extra parking outside our company building at 345 Raab Street in Hope in case they are in need. Our parking lot is rarely even half full during the week and completely empty during the weekend. Since we are just down the street, our parking lot is a great place for any overflow they might have.

If you have any questions, feel free to get in touch by email at paige@webcomillsupply.com or phone (604) 869-5520.
