The Director of Community Development advised Council that during the height of the pandemic, liquor facilities were provided the opportunity to have outdoor areas under a Temporary Expanded Service Area. At the Hope Mountain Brewery a front patio was utilized, which the applicant now wants to make permanent.

The Director of Corporate Services advised Council that they received one individual submission, two form letters, and a petition with 66 signatures. These submissions, all in favor of the application, have been included in their agenda packages. No late submissions were received.

Mayor Smith called for any comments from Council and those in attendance, hearing none, declared the Public Hearing closed at 6:39 p.m. and noted that no further submissions, either verbal or written regarding the proposed application can be made to Council.
