July 8, 2019

Dear Resident

Re: District of Hope 3rd Avenue and Park Street Road Rehabilitation

This letter is to inform you that Jakes Construction Ltd. will be commencing the Road Rehabilitation for the District of Hope in your area.

The work will result in some traffic inconvenience throughout the duration of the project. Where required, traffic will be managed by single lane alternating traffic through the work zones, and occasionally short-duration closures of under 5 minutes may be necessary to facilitate the movement of equipment and pipe materials.

The work is scheduled to commence on July 15, 2019, and will be completed by the end of August. Hours of construction will be 7 am to 5 pm Monday to Friday, with some Saturday work possibly required as well. During construction hours, we ask for your patience and cooperation with the construction crews and traffic control personnel.

Every effort shall be made to carry out this work as quickly as possible to minimize the inconvenience to you. We take this opportunity to thank you in advance for your cooperation.

If you require further information, please contact our office at (604) 702-5699.

Yours truly

Ken MacAndrew
Project Manager
Jakes Construction Ltd.
